Troth Insurance is your one-stop solution for all insurance needs, offering expert claims assistance and smooth, hassle-free settlements. Our dedicated team of professionals including underwriters, marketing experts, and operations specialists will ensure that you feel secure and well-supported with personalized, client-focused solutions that effectively safeguard your interests.

OUR EXPERTISE

Easy Claim Assistance & Settlement

We offer hassle-free claim assistance from the day of the loss, managing everything from intimation to settlement. Our experts handle end-to-end claims, including surveys and documentation, and resolve any queries to ensure a smooth settlement.

Policy Auditing & Scrutiny

Our experts meticulously review client policies to identify discrepancies and gaps in coverage. We provide guidance to address these issues, ensuring accurate, compliant policies that effectively protect against potential risks.

Loss Minimization

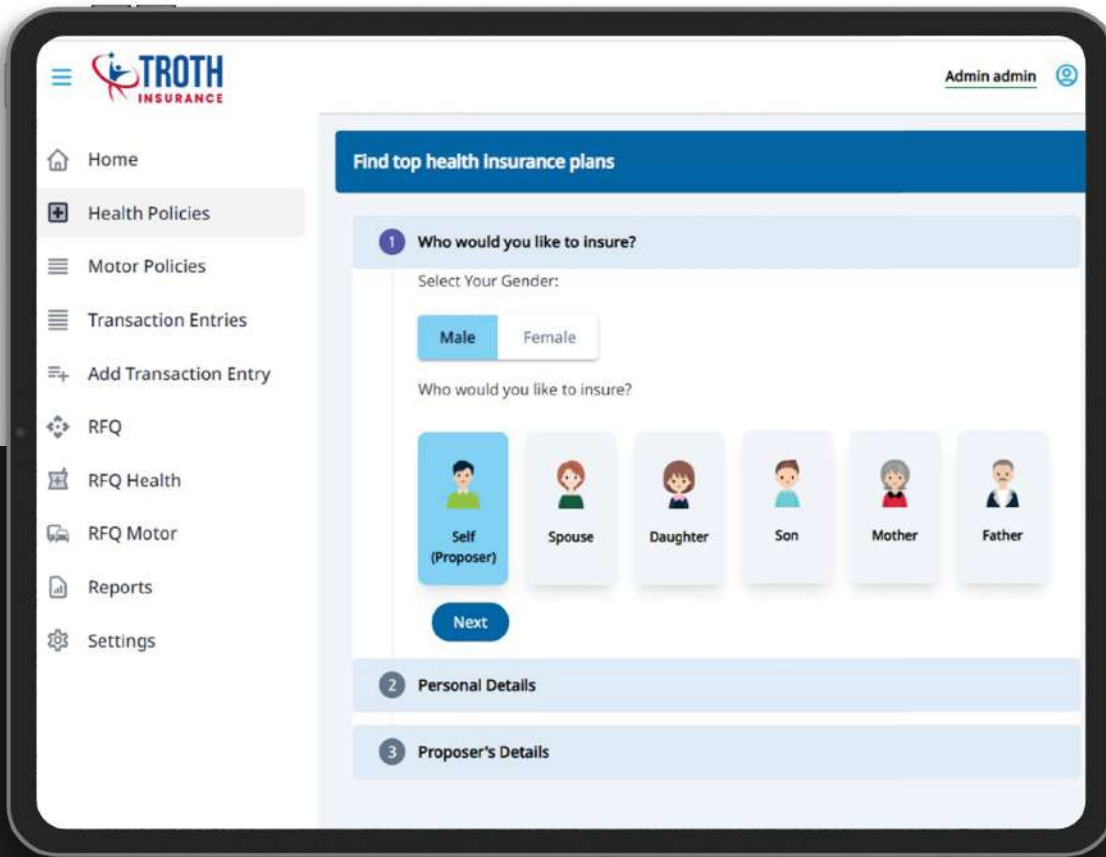

We help individuals and businesses minimize losses through expert risk management and insurance strategies, offering advice on risk assessment, prevention, compliance, and coverage to protect assets and reduce costs.

Claim Salahkar – The Claim Consultancy Center

With the rise in multiple channels in insurance business misselling, pending and rejected claims have surged. We specialize in consulting on disputed claims, offering expert guidance and managing stakeholders. Our team handles disputes, documentation, & settlement to ensure your legitimate claim is efficiently resolved and paid.

INSURANCE GUIDE

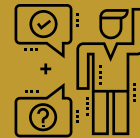

You must consider the following
before buying your insurance

You will not get cheapest and best, together

Disclose all correct facts at the
time of buying insurance

Ask and opt for adequate coverage

Check for all available riders & add ons

Ask for what is not covered

Check claim settlement expertise,
ability and settlement ratio

Choose your broker/consultant wisely
